

ENZO

A vegan leather with a smooth fine grain surface and a semi-matte appearance. It provides excellent durability for heavy duty use areas such as contract and education.

Use
Seating, upholstered walls

Composition
Polyester microfibre, PU

Width
140cm

Abrasion Resistance
250,000 Martindale cycles

Cleaning
Vacuum regularly. Wipe with water-based cleanser, or diluted household bleach. Improved resistance to alcohol but avoid regular use.

Note: Subject to changes and colour differences.
